RESPONSE TO QUESTION 7 OF CHAIRMAN'S INFORMATION REQUEST NO. 2**  
(April 26, 2022)

The United States Postal Service hereby moves for late acceptance of its response to Question 7 of Chairman's Information Request No. 2. The responses to the question required detailed internal investigation, consultation, and coordination, including with key personnel who were absent until yesterday. In the context of a series of information requests issued in this docket, it was not possible to file a timely response, despite diligent efforts. The Postal Service regrets the short delay but does not believe that any party has been prejudiced as a result.

Respectfully submitted,
